

APT VIETNAM TO BRING THE SWING

The Ho Tram Resort Casino has announced it will welcome players taking part in the inaugural APT Vietnam by hosting a special Bluffers at the Bluffs golf tournament next Tuesday, 5 May.

In conjunction with poker operations partner World Gaming Group (WGG), players will be given a unique opportunity to enjoy a round on one of the world's most impressive new golf courses while taking in its breathtaking beachside surrounds.

The Bluffs was designed by former world number one Greg Norman and will host a stop of the Asian Tour for the first time in December.

Bluffers at the Bluffs promises to be one of the highlights of APT Vietnam – the country's first international poker festival – with bus transfers to and from the course and optional driving range practice provided before tee-off. Rest assured the WGM team will be making use of that driving range before we embarrass ourselves on the course proper!

WGG CEO Andrew W Scott said, "The Bluffs is surely one of the best golf courses in Asia, so it's a no-brainer to make a fun golf day part of the festivities of the APT Vietnam. 'Bluffers at The Bluffs' will traditionally be held on the day before the opening of every major poker tournament at Ho Tram Resort Casino."

Bluffers at The Bluffs will be followed by a cocktail gathering and a BBQ party at the clubhouse. APT Vietnam will run from 6 to 13 May with the Main Event starting on Friday, 8 May.
