

## **JULIEN TRAN WINS VIETNAM POKER CUP**

France's Julien Tran has improved on his eighth-place finish in the inaugural Vietnam Poker Cup (VPC) Main Event in August, becoming just the second VPC champion with victory at VPC2 overnight.

Tran overcame a tough heads-up challenge from Sweden's Erik Billgren — who reached the final table of APT Vietnam in May — to continue his impressive run at Ho Tram Resort Casino of late, taking home US\$3,640 for his efforts.
