

“A BACKDROP UNLIKE ANY OTHER”

The Grand Ho Tram Strip launches fountain-side Sound Waves concert series

Ho Tram, 21 September, 2017: The Grand Ho Tram Strip today announced its ongoing series of entertainment events set against the breathtaking backdrop of The Fountains of Ho Tram. Dubbed Ho Tram Sound Waves, the concert series will see Toc Tien, My Tam and Issac 365 take to Vietnam’s most spectacular stage.

Bubbling with energy, pop sensation Toc Tien will be first to grace the six-storey water stage, following the incredible reception that Phuong Vy Idol and Son Tung M-TP received when they inaugurated the Fountains at a VIP event in July.

All Sound Waves events will be free to the general public.

Speaking at a staff rally earlier this week, Toc Tien said: “I’m honored to be teaming up with TGHTS not once but twice in the same month! It’s even more of a pleasure to be the opening act for such an extraordinary line up of Vietnam’s top artists and of course, I’m positive my colleagues in show business will be just as excited as I am to be a part of this unique project..”

“The Fountains of Ho Tram rapidly became our most talked about attraction, with guests flocking for the best vantage points to see our jaw-dropping Vegas-inspired light, fountain and music shows each week. It is a backdrop unlike any other,” said Michael Kelly, The Grand Ho Tram Strip’s Executive Chairman. “Sound Waves sees us turn up the volume on our entertainment program with a series of Vietnam’s best known entertainers wow-ing our guests each month.”

The lineup currently sees Toc Tien on 23 September, followed by the undisputed Queen of V-Pop- My Tam on 28 October, and then chart-topper Issac 365 on 25 November.

“...and we may have a very special guest returning to the Fountains for New Year’s,” Mr. Kelly hinted.

Beneath the clear night skies and flanked by the stunning Grand, the sparkling East Sea, three pools and the delectable BBQ restaurant Khoi –which offers the best seats in the house - the 120-jet Fountains of Ho Tram are able to project water over 25 meters into the air. The ‘dancing watershow’ is synchronized with full spectrum LGP LED light and presents a spectacular six-storey audiovisual fountain performance awash with rich, colorful hues.

“The Grand is already widely recognized as Vietnam’s number 1 resort. The Bluffs is universally recognized as the nation’s number 1 golf course. Our Spa has been similarly heralded. Now we turn our attention to entertainment, and Sound Waves guarantees that we are Vietnam’s top destination for live entertainment,” he said. “The Grand is where the stars come to play.”
